Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows you to register to vote and identifies you as a voter covered by UOCAVA (Federal law providing special protections). You may also register to vote online at www.GoVoteColorado.com using your State Driver's License or ID card number.
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Yes.
How can I submit my FPCA?	By mail, email, fax or online at www.GoVoteColorado.com .
How often must I submit my FPCA?	In Colorado, the FPCA is good for one regularly scheduled general election. You should submit a new FPCA every year and every time your address changes.
If I am currently registered to vote, how may I request an absentee ballot?	Under Colorado law, all active voters will be mailed a ballot for every State and Federal election. You should update your information with your local election office every time your address changes to ensure you will receive a ballot for every election in which you are eligible to vote.
How can I return my voted ballot or Federal Write-In Ballot (FWAB)?	By mail, email or fax.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	Colorado allows you to use the FWAB for registration and voting in Federal, State and local general, special or primary elections, or any other election coordinated by the County Clerk and Recorder. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote any time before an election.

If you have not registered to vote, please carefully review the section "How and where to submit my FWAB" for complete instructions.

I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?

A U.S. citizen who was born abroad, is eligible to vote and has never lived in the U.S. may register and vote in the Colorado county where a parent would be eligible to register and vote.

Will I need a notary or witness for my FPCA or FWAB?

No witness or notary is required on voted ballots.

Where can I find information about the candidates and/or other items that will be on my ballot?

To find out the races and candidates for which you can vote, go to www.GoVoteColorado.com.

Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all Federal elections held through the next general election, unless you request otherwise.

Complete the following blocks of the FPCA

Block 1 Select the category that describes you.

Block 2 To vote in primary elections, you must enter your political party affiliation. If you are an unaffiliated voter and want to participate in a party primary, you must indicate which party ballot you want to receive. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 29 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3 Name (Last, First, Middle). Enter any former name under which you were registered in Colorado.

Block 4 Date of Birth.

Enter your valid Colorado Driver's License number OR Department of Revenue ID number. If you do not have either of these numbers, enter the last four digits of your Social Security number. If you do not possess any of these identification numbers, write "none" and the State will assign a number that will serve to identify you for voter registration purposes.

Block 5

Provide your contact information to allow your local election official to follow up if more information is required.

Block 6

Colorado allows you to receive your ballot by mail, fax, email, or electronically via download from a secure website. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number or email address in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 8

Complete address where you want your ballot sent, usually where you live now.

Block 9

Provide any information that may assist the local election official in accepting this application.

Late registration

Colorado law provides for same day registration.

Voting by citizens who have never lived in the U.S.

A U.S. citizen who was born abroad, is eligible to vote and has never lived in the U.S. may register and vote in the Colorado county where a parent would be eligible to register and vote.

Voted ballots must be sent by 7 pm MT on Election Day and received by the local election official no later than 8 days after the election.

No witness or notary is required on voted ballots.

You may return your voted ballot by mail, email or fax. Use the FPCA mail, email and fax instructions under "How and Where to Submit Your FPCA."

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

Tracking your ballot

You may track the status of your ballot at www.GoVoteColorado.com/mil. Select "View my: Mail-in ballot status."
